

InCapta, Inc. Teams Up With Leading Edge Radio Network and Leading Edge Radio.TV to Bring Citizen Journalists from Around the World Together to Provide News.

SAN DIEGO CA- Tuesday, November 29, 2016 - InCapta, Inc (OTC PINK: INCT) -----
InCapta, Inc. and LeadingEdgeRadio.TV, in cooperation with LeadingEdgeRadioNetwork, are teaming up to bring news coverage with the assistance of citizen journalists.

Leading Edge Radio Network and InCapta, Inc., are collectively working on an online media platform that will provide news from around the world from on the spot citizen reporters, in real time. Leading Edge Radio.TV will be providing the platform on which the video and audio clips will be broadcast. The project is expected to debut in early January, 2017.

Greg Martin, President of InCapta, Inc, said, “We are excited the way news is being covered. It is no longer the major networks or mainstream media that owns news coverage. Now, ordinary people with a story to share may do so, 24-7. When they have breaking news to get out to the public, they can actively become involved in covering what is going on around them.”
